## ***RULES***

Test your biblical knowledge in a race against time with *7 SECONDS' BIBLICAL CHALLENGE*. In this thrilling and educational game, you only have 7 seconds to answer questions and cite elements from the Scriptures. Are you ready to prove you can be faster than Elijah, who outran Ahab and his horses? Gather your family and friends to find out who is the true expert on God's Word. Brace yourself for moments of tension, laughter and deep learning with each card turned. And all in just 7 seconds!

***VIDEO TUTORIAL:***

## SETUP:

Shuffle the cards and place them in a single deck face down in the center of the table. Players may mix all categories or choose a single category to play with. You can also use the digital die available at the same link as the countdown app.

## HOW TO PLAY?

- 1 Players take turns clockwise. Each round, a player picks a card from the deck and hands it to the player on their left, who will be the narrator for the turn.
- 2 The narrator reads the card's challenge aloud to the group. Immediately after reading, the 7-second countdown begins. Go!
- 3 The player who drew the card needs to give 3 valid answers before the time runs out. If successful, the player keeps the card and scores 1 point.
- 4 If the player fails to answer correctly, the player on their right has a chance to try to answer within a 7-second limit.

**IMPORTANT:** Players cannot repeat any answers already given by the previous players.

If no one can answer a card's question, it's a sign that we need to learn more about that topic! Set the card aside, and at the end of the game, take time to explore more about that subject.

## SPECIALS CARDS

At the start of the game, each player receives two special cards, one of each type. These cards can be used at any point in the game to aid the player or even another player. Use them wisely to maximize your chances of winning:

70x7: Forgives your mistake and offers a second chance on a missed question. Just like divine forgiveness!

144,000: You are saved from this question. You don't need to answer it, and you automatically earn the point! A beautiful symbol of divine grace.

## END OF THE GAME

The first player to correctly answer 7 questions and accumulate 7 points is the winner of the challenge!
